About me:

Hello, I'm a React Developer with experience in international projects and a focus on ecommerce with Oracle and ReactJS. I have a passion for challenges and continuous learning. My international experience has made me more flexible and adaptable, able to handle challenges of different natures. If you're looking for a React developer with ecommerce experience and a constant learning mindset, let's talk.

● WORK EXPERIENCE

08/11/2021 – 05/04/2023 Porto Alegre, Brazil

REACT DEVELOPER COMPASS.UOL

Front-end React Developer at Compass.UOL

1- I contributed to building an internal company Ecommerce page using ReactJS in the Oracle Commerce Cloud (OCC). This page served as a template for new customers and enabled the delivery of e-commerce projects more quickly and efficiently.

1.2- At another moment during this internal project, I was TechLead, helping new's developers, making code reviews, and deploying.

2- I participated in Developing and sustaining national e-commerce pages like Marfrig(Bassi) and VIAI.

3- I participated in the Development of two international e-commerce pages:

3.1- Fortinet(store.fortinet) Besides the development, I also participated in direct contact with the Customer through Jira about improvements and adjustments. Also, I received many praises and conquest my first salary increase for my performance.

3.2- NIB(National Industries for the Blind) I was responsible for the SEO and accessibility of the e-commerce page and used the technologies JAWS, WAVE, and Lighthouse while actively participating in its development and also daily meetings in English with the team development.

4- Technologies used: ReactJS, JavaScript, OCC, CSS3, HTML5, BitBucket, Git, Jira, Scrum, Postman, JSON JSX, JAWS, WAVE.
